Outdoor HDTV Antenna | 0 - 50 km | Gain 40 dB | FM/VHF/UHF | White

General information

This Nedis® DVB-T/T2 antenna for in and outdoor use ensures a stable reception of free-to-air channels, pay television (if you're subscribed) and FM radio signals. The antenna features a compact and stylish design that blends in with any interior, without being too distracting.

Features

• LTE700 filter to reduce the impact of 4G
• Quick and easy to install with adapter F male to coax male supplied
• Suitable for indoor use within 50 kilometres of nearest broadcasting antenna
