

Mosquito Stop Light Trap | 18 W | 150 m² Coverage

General information

Eliminate mosquitos, flies, wasps and other annoying flying insects with this Nedis® electric insect killer. Perfect for outdoor use so you can enjoy long nights outside without being bitten. With only one 18-W UV-A lamp, this electric insect killer operates energy efficient, yet super effective: its open design covers the largest area possible. Insects lured by the UV-A lamps are instantly killed upon contact with the inner high voltage grids. There are no chemicals involved which is eco-friendly and safe to both humans and the environment. Including removable and washable collecting tray for easy cleaning.

Features

- Eco-friendly and non-toxic: works with high voltage.
- Removable collecting tray
- IPX4 protection for outdoor use
- Open design covering a large area
- Energy-efficient operation: 1x 18 W
