

Indoor HDTV Antenna | Active | FM / UHF / VHF | Reception range: 0-25 km | LTE700 | Gain: 30 dB | ABS | White

General information

This indoor Nedis® DVB-T/T2 antenna ensures a stable reception of free-to-air channels, pay television (if you're subscribed) and FM radio signals. The antenna features a compact and stylish design that blends in with any interior, without being too distracting.

Features

- LTE700 filter to reduce the impact of 4G
- Quick and easy to install
- Suitable for indoor use within 25 kilometres of nearest broadcasting antenna

Specifications

Colour:	White
