

## Egg Boiler | 7 Eggs

### General information

Nothing better than to start your day with a boiled egg for breakfast. Whether you like your egg hard, medium or soft boiled, the Nedis® egg boiler guarantees perfect results. Up to 7 eggs can be prepared at the same time. The egg boiler is equipped with an egg piercer and buzzer to let you know your eggs are ready.

### Features

- Boils 7 eggs at the same time
- Illuminated on/off switch
- Removable egg tray to serve the eggs with one hand
- Egg piercer to prevent shells from cracking
- Ready signal to remind you your eggs are ready
- Measuring cup to use the exact amount of water
