

Gaming Mouse | Wired | Illuminated | 2400 DPI | 7 buttons

General information

Never miss a shot with this precision seven-button Nedis® Gaming Mouse.

With an optical resolution of up to 2400 dpi, this mouse offers all the exact control that gamers require.

Switch between four settings depending on the game you are playing – from slow, precise shots to high-speed motion and mayhem.

The beautiful ergonomic design has not sacrificed comfort for durability: there's more than three million strokes in this mouse.

Connect it to your PC via the USB port and watch the backlights illuminate this stylish, sleek and essential gaming accessory.

Features

- Seven buttons
- Illuminated
- Optical resolution of up to 2400 dpi
- Durable - braided cable for resilience and stroke life of over 3 million
