WIFIPS10xxx

Smart power plug

Description

1. On/off button
   Reset button
2. On off indicator
   Connection status indicator

Use

1. Download and install the app "Nedis SmartLife" from Apple App Store or Google Play Store on your mobile device.
2. Launch the app "Nedis SmartLife".
3. Create a new account or log in to your existing account.
4. Tap "+" to add the device.
5. Select the applicable product type from the list of products.
6. Connect the smart switch in between the cable you want to switch. Make sure the input and output sides are placed correct so the input side always has 230V.
7. If the status indicator does not flash: Press and hold the reset button for 6 seconds.
   If the status indicator flashes: Confirm in the app.
8. Confrm the Wi-Fi network and password.
9. Enter the device name.
   Note: The device name will also be used by Amazon Alexa and Google Home.

Safety

CAUTION
RISK OF ELECTRIC SHOCK
DO NOT OPEN

- To reduce risk of electric shock, this product should only be opened by an authorized technician when service is required.
- Disconnect the product from the mains and other equipment if a problem should occur.

- Read the manual carefully before use. Keep the manual for future reference.
- Only use the device for its intended purposes. Do not use the device for other purposes than described in the manual.
- Do not use the device if any part is damaged or defective. If the device is damaged or defective, replace the device immediately.
- The device is suitable for indoor use only. Do not use the device outdoors.
- Do not expose the product to water or moisture.
- Do not touch the device with wet hands.

Cleaning and maintenance

Warning!

- Do not use cleaning solvents or abrasives.
- Do not clean the inside of the device.
- Do not attempt to repair the device. If the device does not operate correctly, replace it with a new device.

- Clean the outside of the device using a soft, damp cloth.
