

AS-TE101

Features

Used to control water level
LED display

Type

Float controller AS-TE101

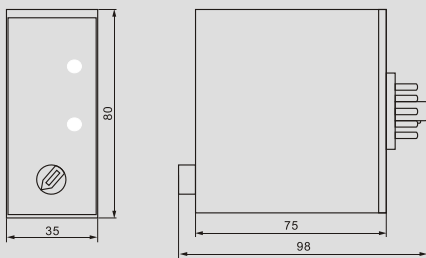

Specification

Voltage	24、36、110、230、400VAC; 12、24、48VDC
Operating type	Water supply
Rated voltage	18VAC
Resistance	15KΩ ~ 500KΩ
Operating temperature	-10℃ ~ +50℃
Power consumption	≤3VA
Di electric strength	BCC1500VAC; BOC1000VAC
Output type	Relay output
Capacity	10A220VAC
Standard	GB 140485;JB/T 10047
