

Ergonomic Wired Mouse | 3200 dpi | 6-Button | Black

General information

This ergonomically designed mouse includes optical tracking technology and will work on many different surfaces.

It's ideal for browsing online, working or gaming. The lengthy 1.8 metre cable gives you plenty of room to manoeuvre, while the slim and attractive design and soft memory foam ensure it is comfortable to use for long periods.

Features

- Ergonomic design - for maximum comfort
- Optical sensor - for precision
- 6 buttons - for flexibility
- DPI: 1000/1600/2400/3200 - offers you a choice of speed settings
- USB interface
