

Ergonomic Wireless Mouse | 1600 dpi | 6-Button | Black

General information

This ergonomically designed mini mouse includes optical tracking technology and will work on many different surfaces.

It's ideal for browsing online, working or gaming. Operating wirelessly (2.4 GHz) up to a distance of 10 metres, the slim and attractive design and soft memory foam ensure it is comfortable to use for long periods.

Features

- Ergonomic design and compact - for maximum comfort
- Optical sensor - for precision
- 6 buttons - for flexibility
- DPI: 800/1200/1600 - offers you a choice of speed settings
- USB nano receiver - can be stored in the mouse when not in use
