

Rice Cooker | 400 Watt | 1.0 L | White

General information

If you love rice but tend to burn it or overcook it, then start using this Nedis® rice cooker and serve perfect, fluffy rice. Simply measure the amount of rice you want with the included cup, put it in the pan and add the right amount of water indicated on the inside of the pan. While your rice cooks, you can continue prepping the rest of your dishes as the pan automatically switches to a keep-warm setting, keeping your rice at the right temperature till diner is on. The rice pan comes in three different sizes, all with a steamer insert to cook your veggies in a healthy way that conserves colour, bite and vitamins.

Features

- Capacity of 1 litre
- Sturdy metal housing
- Including steamer insert
- Non-stick aluminium alloy inner pot
- Glass lid to see your rice
- Measuring cup for the right amount of rice and water
- Including spoon
