

Handheld Vacuum Cleaner | Wet & Dry | 40 W | 7.4 V

General information

Bread crumbs after breakfast, muddy feet on the stairs, crisps on your couch and even spilled drinks... This Nedis® handheld vacuum cleaner gets the job done in the blink of an eye.

With 40 watts this handheld vacuum cleaner is powerful enough to be used for a 15-minute hoovering session - completely wireless. With its convenient size and supplied crevice nozzle, it is perfect for quick clean-ups, for cleaning your car, staircase and all those hard to reach places where you don't want to be dragging along a heavy hoover and without having to look for a power socket. Another big plus is the included wet suction nozzle to clean up after spilled drinks.

If you're done, you can place the vacuum cleaner back in its docking station. This way, you're always ready to go.

Features

- Dry and wet vacuuming - comes with wet suction nozzle
- Silent operation - noise level of only 70 dB
- Container capacity of 500 ml dust or 100 ml liquid - emptied with a single finger click
- Lightweight - easy to handle with only 0.8 kg
- 2300 Pa - 15 minutes of wireless operation
- Wall-mounted docking station (incl. mounting material) with room for the supplied nozzles - keeps everything organised
- Crevice tool - for hard-to-reach places
