

Electric Insect Killer | 3 Watts | LED | Black

General information

Enjoying summer evenings out in the garden but those flying insects driving you mad? Love sleeping with the windows open but you dread mosquito bites? This Nedis® electrical insect killer provides a safe and eco-friendly solution to all these nuisances.

Eliminate mosquitos and other annoying flying insects with the electric insect killer. With a power consumption of only 3 watts, it operates energy efficient, yet super effective: its open 360°-design covers a maximum insect-luring surface and is effective enough for areas up to 30 m². Insects attracted by the UV-A lamps are instantly killed upon contact with the inner high voltage grids. This involves no chemicals which is eco-friendly and safe to both humans and the environment. Including removable and washable collecting tray for easy cleaning.

Features

- Eco-friendly and non-toxic - works with high voltage
- Removable collecting tray - easy to empty and clean
- Put it down or hang it - with integrated hanging loop
- Energy-efficient operation - 3 watts
- Durable UV-A LED - lifespan of 20,000 hours
- ABS fire-resistant plastic housing - high safety
- Coverage of 30 m²
