

RF Smart Plug | On/Off | Schuko Type F | 2300 W

General information

Operate your electrical appliances remotely with your 433.92 MHz remote control system by simply connecting them to this Nedis® wireless smart plug. It is compatible with most well-known brands to enable easy expansion of your existing system.

Super slim - no more blocked power sockets
These super-slim wireless smart plugs are designed to prevent that common problem of plugs blocking adjacent sockets - our plugs are both smart and slim for your convenience.

Easy to set up
Pairing the plug to turn on devices or to connect them to remote controls (RFWS20WT / RFWS10WT / RFRC410WT / RFRC220WT) can be activated by pressing a single button. One smart plug stores a maximum of 5 different remote controls.

Features

- Can be used as a stand-alone product or can connect easily with other Nedis® smart RF products
- Allows remote control - for easy operation of appliances
- Features a slim design - ensures adjacent sockets are not blocked
- Compatible with most existing 433.92 MHz systems regardless of brand
