

## RF Smart Power Strip | 4x Schuko Type F | 3680 W

### General information

Operate your electrical appliances remotely with your 433.92 MHz remote control system by simply connecting them to this Nedis® smart power strip. Switch every single socket on and off separately or as a group, either manually or with the optional Nedis® RFRC410WT remote control (not included).

It is compatible with most well-known brands to enable easy expansion of your existing system.

**Smart socket design - no more blocked power sockets**  
The power sockets are placed in a 45-degree angle to prevent any unnecessary blocking - our plugs are smart in use and design for your convenience.

**Easy to set up**

Pairing the plug to turn on devices or to connect them to remote controls (RFWS20WT / RFWS10WT / RFRC410WT / RFRC220WT) can be activated by pressing a single button. A receiver stores a maximum of 5 different remote controls.

### Features

- Can be used as a stand-alone product or can connect easily with other Nedis® smart RF products
- Allows remote control - for easy operation of appliances
- Compatible with most existing 433.92 MHz systems regardless of brand
- Features smart-design power points - ensures adjacent sockets are not blocked
