Intended use

The Nedis WIFIWMS10WT is a smart switch that can be controlled remotely through the Nedis

The product allows you to remotely, wirelessly switch any connected device on or off.

The product is intended to be installed behind a wall switch.

Optionally, a mechanical switch can be connected to the product.

The product is intended for indoor use only.

Any modification of the product may have consequences for safety, warranty and proper functioning.

Specifications

Product	Wi-Fi Build-in Switch Module
Article number	WIFIWMS10WT
Input power	100 - 240 VAC; 50 - 60 Hz
Maximum load	3000 W / 150 W LED
Operating temperature	-20 °C - 50 °C
Frequency range	2412 - 2462 MHz
Maximum transmit power	18 dBm
Maximum antenna gain	1 dB

Main parts (image A)

- 1 Wire terminal (phase wire of controlled device)
- 2 Wire terminal (phase wire of mains)
- 3 Wire terminal (neutral wire of mains)
- 4 Wire terminal (neutral wire of controlled device)

Wire terminal (mechanical switch)
 Wire terminal (mechanical switch)
 Indicator LED

Safety instructions

▲ WARNING

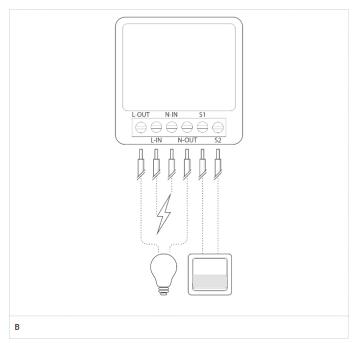

- Ensure you have fully read and understood the instructions in this document before you install or use the product. Keep the packaging and this document for future reference.
- Only use the product as described in this document.
- Do not use the product if a part is damaged or defective. Replace a damaged or defective product immediately.
- Do not drop the product and avoid bumping.
- This product may only be serviced by a qualified technician for maintenance to reduce the risk
 of electric shock.
- · Do not expose the product to water or moisture.
- Some wireless products may interfere with implantable medical devices and other medical equipment, such as pacemakers, cochlear implants and hearing aids. Consult the manufacturer of your medical equipment for more information.
- Do not use the product at locations where the use of wireless devices is prohibited due to potential interference with other electronic devices, which may cause safety hazards.

Installation

Check the contents of the package

Check that all parts are present and that no damage is visible on the parts. If parts are missing or damaged, contact the Nedis B.V. service desk via the website: www.nedis.com.
