

Speaker Cable 1.5 mm² | Speaker 2-Pin Female - Speaker 2-Pin Female | 10 m | Grey

General information

The Speaker audio cable can be used for connecting speakers, mixers and amplifiers to each other to create the ideal audio connection.

The Nedis® OnStage series exists out of a wide range of the best quality audio connectors and cables. For any situation you can find a complete on-stage audio wiring solution over short and long distance.

Connect instruments, microphones, amplifiers and other devices for (semi) professional musicians for a great sound reproduction.

Features

- Durable connector for a firm connection
- Highly flexible cable for easy bending
- Ideal for amplifiers, music instruments and microphones
- Latch lock prevents accidental disconnection
