

Chocolate Fountain | 90 W | 500 ml

General information

This Nedis® chocolate fountain is going to be a hit, whether you're throwing a party, plan a home-made high tea or surprise your guests with an after-dinner treat. Melt your favourite chocolate and pour it into the base of the fountain. You're now ready to start dunking and dipping sliced fruit, marshmallows, cookies or whatever satisfies your chocolate cravings.

This chocolate fountain has 3 tiers with enough space in between for big strawberries or chunky cake. And, speaking of pieces of cake, the fountain itself is removable and the parts are machine washable.

Features

- Easy to clean - all top parts are removable and machine washable
- Hygienic - made of plastics and stainless steel
- Nice, retro design and colours
- 3 tiers with wide openings - plenty of room for chunky ingredients
- Keeps chocolate at a constant temperature
