

Hamburger maker | 1000 Watt | Black

General information

Enjoy home-made burgers according to your favourite recipe with this Nedis® hamburger machine. The grill has pre-shaped plates with a non-stick coating which only require very little oil. Any fat released during grilling goes into a removable drip tray for delicious, low-fat results. Equipped with automatic temperature control.

Features

- Non-stick coating - for low-fat cooking and easy cleaning
- Cool-touch housing - safe to use
- Removable oil tray
- Two indicators: power indicator and food-ready indicator
- Automatic temperature control
- Locking system
- Option to store upright
