

## Walkie-Talkie | Range 3 km | 3 Channels | PTT | 2 Pieces | Blue/Black

### General information

Stay connected with this compact and lightweight Nedis® walkie-talkie. Even in remote places which don't always have a strong mobile network, this walkie-talkie has a reliable 3-kilometre communication range in open field areas. Super convenient if you go hiking, camping or for any thinkable indoor and outdoor adventure. With 3 channels and 1 CTCSS code (subchannels) each, it's not very likely someone else is tuned to the same channel, which prevents interference and guarantees your conversations to stay private. The walkie-talkie incorporates Push To Talk (PTT) so that as soon as you press the button you can start talking.

### Features

- Communication range of up to 3 kilometres (in open field areas)
- 3 channels - prevents interference from other 2-way radios
- 446 MHz technology - for a reliable, wireless connection
- PTT function - to communicate press the push to talk button
- 3 hours continuous talk time and 24 hours stand-by time
- Compact design - easy to take with you
