

## Single-Handed Gaming Keyboard | RGB Illumination | 33 programmable keys

### General information

This Nedis® single-handed gaming keyboard gives you control at your fingertips.

Its ergonomic shaped and rubber palm rest offers maximum comfort, aided by the keycaps' bent surface design. The outstanding texture of the W, A, S, D keys makes them simple to locate.

The POM switches give the same keystroke feeling as a mechanical keyboard but provide an enhanced lifespan.

With 33 fully programmable keys, including four macro side keys and the space key, this keyboard can meet all your gaming demands.

The RGB backlight can be adjusted to eight different colours, and three different colourful patterns, to help you create the perfect mood.

### Features

- Specially designed for gaming - with 33 fully programmable keys including four macro side keys
- POM switches - to offer tactile feedback
- W, A, S, D keys are made with outstanding texture - to make them easy to locate
- Comfortable palm rest - for extended gaming
- Eight coloured backlights with three effects (spectrum, static or breathing) - to enhance your gaming experience
