

Fully Wireless Earphones | Bluetooth® | Press Control | Charging case | Built-in microphone | Voice control support

General information

Enjoy streaming music and phone calls with these Nedis® fully wireless Bluetooth® 5.0 headphones with voice control. They come with a charging case for easy charging it without wires. These fully wireless headphones have a playtime of up to 3 hours and the charging case provides 4 additional full charges. The small-sized drivers with a 10 mm diameter deliver excellent sound quality. Their ergonomic design enable you to easily take them out if needed and make you stand out. They are compatible with Google Assistant and Siri so you can ask to start your music, ask for road directions, online information and many other things. This makes these headphones match perfectly with your smart life.

Features

- Fully wireless design - not messing around with a cable
- Maximum playtime of up to 3 hours - to ensure playing music or making phone calls
- Charging case - it provides 4 additional full charges for the earphones
- Instant connecting and pairing - connects and pairs automatically after initial pairing
- Built-in microphone - for hands-free calling
- Bluetooth® 5.0 technology - for a stable, interference-free connection
- Integrated control - to pause/play music, answer/cancel/ignore calls or use voice control
- Charging only takes 2 hours - providing you with 3 hours of play time
- Battery-level indicator - the charging case indicates the battery level via the LED
