

# Product Data Sheet Type: CK990/SN

Group: HEATSINKS Board Level

For single mounting

Temperature resistance :

Electrical insulating :

Pieces/Unit :

Dielectric coefficient :

Capacity for power dissipation :

Minimum thermal resistance :

Weight :

For device : TO 220

Device mounted by : Stick On

Clip heatsink for semiconductor case TO 220

Fixing (solderable) in PCB by tinned pins.
