

Car FM Transmitter | Gooseneck | Hands free calling | 0.4 " | LCD Screen | Bluetooth® | Black

General information

Enjoy your own playlists while being on the road and say goodbye to boring car rides. This Bluetooth FM transmitter plays music from tablets and smartphones via your car radio. Big plus: it combines pleasure with safety. A built-in microphone enables hands-free calling.

Features

- Bluetooth technology to wirelessly connect to smart devices
- microSD port to enjoy your own playlists
- USB port for audio playback or charging of USB devices
- Integrated microphone to make hands-free calls
- Remote control for extra operating convenience
- Flexible gooseneck to position the transmitter any desired way
- Works very simple with a 12-V cigarette lighter
