EAN CODE: 5902560329582

Wired doorbell for DIN rail, single-track

Wired doorbell, mounted on a DIN rail.

TYPE

Type:
electromechanical

Nominal voltage:
230V~, 50Hz

Doorbell volume (db):
80dB

SoundQ:
1 tone

Installation:
a DIN rail

General information

Type: electromechanical

Nominal voltage: 230V~, 50Hz

Power consumption: 5W A

Doorbell volume (db): 80 dB

Type of power supply: directly to 230V

SoundQ: 1 tone

Type of transmission: wired

Protection rating - IP: 20

Volume adjustment: no

Installation: a DIN rail

Dimensions - width: 18 mm

Dimensions - height: 67 mm

Dimensions - depth: 79 mm

Colour: white
