

VALUELINE

Notebook Adapter 15 / 24 VDC 120 W

General information

Universal notebook car adapter to charge nearly any type of notebook. The adapter is supplied with 10 different and easily changeable power tips, which are compatible with the following brands: TOSHIBA, LENOVO, IBM, SONY VAIO TZ series, SAMSUNG, FUJITSU, DELL, COMPAQ, ACER, HP, LG, BEN Q, CHROMEBOOK 14 and NEC. If the required tip is not included, please send an e-mail to service@nedis.com and it will be provided for free.

The adapter is equipped with a 12-V connector which fits most cigarette lighter sockets in cars, providing a perfect solution for people going on holidays or people who need to be on the road often.

Features

- Over current, voltage, temperature and overload protection
- 12-V connector to charge a notebook in cars
- 10 different, easily changeable power tips to charge nearly any type of notebook
